FOR IMMEDIATE RELEASE:

Pomegranate Phones partners with celebrity John Stamos to launch new generation of electronics

What: Pomegranate Phones will host an event with actor and disabilities advocate John Stamos for the launch of the next generation of Pomegranate Phones devices.

When: Saturday, April 10, 2021; 9 – 11 a.m.

Where: Pomegranate Phones Headquarters: 441 S. Hampton Rd. Marietta, GA 30066. This event will be held in Auditorium B on the second floor.

Who: **Pamela Hobbs**, CEO of Pomegranate Phones
Carl Frankfurt, Senior Vice President of Software Engineering
John Stamos, Actor and Disability Advocate

Why: Pomegranate Phones has made it their mission this year to launch a new generation of highly accessible electronic devices for people with disabilities. This event will help showcase the diverse contributors to Pomegranate Phones. Pamela Hobbs, who was diagnosed with dyslexia at the age of 6, and John Stamos, well-known actor and disabilities advocate, will highlight the diversity present in Pomegranate Phones' new products. This event will describe and demonstrate features of the new devices that will be released during this Phase. Pomegranate Phones will announce release dates of all new devices during the event.

Media Info: Photographers are welcome, but no videographers are allowed in the event. Please arrive 45 minutes early for press pass pickup and set up. Press passes can be retrieved at the entrance of Auditorium B. Parking will be available in Parking Deck A.

Background: Pomegranate Phones was founded in 1976 by Pamela Hobbs with the mission of providing for its customers the highest-level innovative technology in order to support all types of people—from entrepreneurs to educators to people with
